He's still active here and there at the MP-Gaming forums. Long story cut short, he got a girlfriend, so the on-line time was cut right down...

Yeah, my GF and College has stolen my online time, I don't have much time to do anything... kills me inside that there is so much stuff for Renegade now and I can't add it up.

I'm planning on adding stuff to Game-Maps.NET for Renegade even if no one ever plays it!!!

It shall be done.
