What mods do you guys use or play? Do most people still just play regular renegade or mostly some mod version? I want to get back in the game.

Regular Renegade is still fun. But check out these mods if you are interested:

C&C Reborn (Takes place in Tiberian Sun):

<http://www.cncreborn.eu/>

Red Alert A Path Beyond (Takes place in Red Alert 1):

<http://www.apathbeyond.com/>

Red Alert 2 Apocolypse Rising: (Takes place in Red Alert 2):

<http://www.apocrising.com/>

Also, if your computer can play more recent games, I highly recommend checking out Renegade X, which is a mod for Unreal Tournament 3 turning it into Renegade.
