When i Join game My Hud is now only partly Visible As shown in this ss:
<http://img266.imageshack.us/i/brokenhud.png/>

Can anyone help me with this?

Cheers,
Mikey

it is a hud_main.dds it is saved under wrong dxt
it should be saved dxt5

i thought it was a .ini file because of the way the huds been setted out
but what if its saved in the right dxt?

well it could possibly be the hud.ini but we need to know what type of hud it is and if it has a ini
