We don't think about it very much, but 9/11 was one of the most significant events in world history, and we are alive to witness the consequences.

Yeah it's one of those things you never forget. I was pretty young then, 4th grade, and I'll probably remember it forever. R.I.P.

I was 10 years old at the time, and it took me a long time to understand the significance of this event. Now I'll always remember this day, and remember those who died and those who lost loved ones.

Rest In Peace.

Either way, it's off-topic.

I was wondering that too, why would anyone remember 9/11 with a "lol"?  
(Unless they were in on it of course )
