They couldn't counter our attack with any good vehicles. We killed their harv and saved ours + we took all box(es) on their side lol.

Those flamers were our first vehicles.

ROFL!

Nice.

I think that's something you don't see very often. Flamers usually suck in City Fly..

Chem warrior ftw!

I also like how the one flamer goes off in a random direction then re-enters the screen a few seconds later
