Another Aussie named neb put me up to this. It's all his fault!

Yes, I admit this is a VERY HEAVY advantage skin. And I don't like that fact. But there is NO way I could have made this skin without it being

VERY

LOUD

AND

OBNOXIOUS.

Anyway, it's for all your psycho rushing needs.

Enjoy, I think...

xD I don't usually post in topics like this, but this scenario immediately came up in my mind:

Quote:

A Typical AoW Public Match:

Nod Team: Yo guys, SBH rush alright? buy nows and aims for WF. Lets do this!

\*Nod Team prepares to move out\*

Nod Team: wtf! Guys! inc!

Nod Team: What are you talking about?

\*Nod sees the front of about 5 APCs bearing down on them\*

Nod Team: Wtf---Leroy? What in da heck is Leroy---

\*Nod gets smushed by the five APCs as they head into Nod's Base\*

\*Nod team looks at the back of the APCs moments after being squished\*

Nod Team: .....Jenkins?? Wtf!

xD If I was an active Renegade player in anything other than Coop-servers, I'd love this skin to use in AoW and Marathon matches. Too bad not everyone would see it though haha, since skins you download don't affect others. xD Nice one though heh! Really well made and love how Leroy Jenkins is separated and on the front and back. Really nice. xD
