Hi

I would like to request a Mammoth tank ALT fire sound skin.

Sometimes when i play gdi and my whole team has mammoths and are constantly alt firing i get a headache. I am looking for something less annoying just to be clear.

So if you know of one that already exists or have a sound file that would fit i would be very grateful.

Thanks

gdi_Gunboat_Fire_01 and/or sam_fire_1.wav is the Mammoth Tank's alt fire. I'd replace both. That's what I did.

Try this/these.

sam_fire_1.wav is the sound of the rockets being fired.
The other is the sound of the shells being fired.
