Tsu could not get a team together and decided to forfeit
what happens now?

The round 2 deadline was extended. If they do not want to try and get a team together for the new deadline and still want to forfeit then I suppose Jelly would advance. I will need confirmation from TSU though saying they would to forfeit.

that kind of sucks, we had 12 people on ready to play and two would have had to sit out
how many other teams didn't show up either?

That's bullshit. We had a team ready to play for that day, they weren't ready to play. What if we can't get a team together for the next deadline? Will we get an extension just like they did?

who from Tsu can i talk to when i'm trying to get shit set up? i sent the guy who posted their roster a pm and he told me he wasn't going to be there and that i should contact nunega or simpee

nunega and simpee didn't really know what was going on and were probably unaware that they were placed in charge of the team

Nightma12 is a forum mod on here and also on the tsu team...should i talk to him? let me know who's organizing things for Tsu so i have someone to work with
