We just finished the NE vs Shadow Team game and here are the results:

First map Islands
NE: Nod
ST: GDI

Time: 16 minutes
Result: NE wins by base destruction

Second map Islands
NE: GDI
ST: Nod

Time: 27 minutes
Result: Shadow Team wins by base destruction

According to Tournament rules:

Quote: If both communities destroyed each others base, then the community who did it in the fastest time wins.

Therefore: NE advances.

Good games and pros to shadow team!

hey, good job by both teams getting together and getting the games played

and it's cool that it came down to the wire to determine the winners

does anyone else think that Nod might be the better team?

On Islands it's probably true. Arties>MRLS

Both teams played well on Nod, I guess the difference in the end was that we lasted about 11 minutes longer defending as GDI.

Funny, SoQ vs OS both times GDI won but without base destruction.

Anyways, congratz NE and gl vs TK2

I see. I think we do a lot better with Arties and Nod vehicles than Meds or MRLS. We are the "Nod Elites" [NE] after all.

Nod elites can only win with Nod, it seems so logical!
