I've been on it before but this time non of the images show.

I have changed my site a bit, here it is JKGaming

I already told you this by mail before. Your site will not be added to rencom. It contains nothing Renegade related, except for an empty forum category. I'll just ignore the illegal music browser you got on there as well...

that music browser is not illegal..

and i havn't go around to getting Ren stuff on it yet.

you might wanna fix all the spelling mistakes on your site first

due instead of do

and its Marine sharpshooter not Marin sharpshooter
