you know if you like i can upload them to my site ftp so you don't have to use the stupid free ftps.
and i can make it a DD

Well, i am gonna do that with leuuedum but renegadeskins.tk got hacked, so topic was lost. it will
be up and running again soon.
Thanks though,
greetz

renegadeskins.tk sucks balls and if they ever upload my skins there again I will have them shut
down America style.

That is all.

PS. Not a bad skin, if I still played I may have used it.

The site is used as a data base for skins. If this is you saying you dont want your skins there i

guess that can be arranged between you and crisis992
thanks =D

No please don't... coz then Dover will know he has a point.
fixed.

also that's a pretty lame color combo

Nice, I like it. Were you trying to mimic something, or is this something you just came up with?

=samous
