Works with 3ds max 9+
Generate a building, save as 3ds and open in in 3ds max 8.

WHOA! Thats AWSOME! If I was into modeling renegade, I would DEFINITELY use this.

=samous
-Hmm, I wonder if I can use this for another game though... *gears in head start turning*

Building generator = now
Operating System generator = soon

People just have to click buttons for stuff in the future, they dont need alot of intelegance to do it
so they will stay stupid like they were.

WRONG!
Operating System generator = http://www.slax.org/build.php
But sounds cool!

omg an OS generator.
Lazyness FTW ^^
