December 25th 2010 Round 5, Finals March 23 2011, if needed: Finals again September 15 2011. There's like a 3-4 week time span between each Community match because of all these extended and everything.

Round 5 is probably going to be played on November 29.

-SoQ- likes to postpone to next week sunday.

iam very sorry, but we cant bring enough ppl this sunday.
normally sunday isnt a problem. In round 4 we had 9 and played the first available weekend. Now we got 2...

This weekend is one of a kind, the average cant play instead of that they can.

I have informed and its not a problem to play next sunday 29th same time. Iam sure we can bring up a team then.

srry Gotwhiskey, I wished it was otherwise. I inform you this early, so you can plan other things if you want.

cya on the 29th and we make it a good one.

I know the problem.

We also had to postpone a arranged FW due to this league. But we gave this tourney more priority.

I hope CW.CC will do the same.

sigh...

Next time please don't confirm, then pull out last minute. Our community was ready to play today. We didn't expect SoQ to pull out, then TD to magically extend the deadline to accomodate them.

I'd rather have two matches played instead of two teams advancing due to forfeits, especially since there are now four teams left.

If you think you can get the match done today, or any day before the deadline, go ahead and settle it with SoQ.

I confirmed time.

Couldnt conform date yet, based on first replies @ our forum.

So I wrote "I keep in touch with you"

Then I wrote friday we wouldnt make it with a team.

You even posted earlier on this topic your roster where I write there also we want to postpone to the 29th.

<http://www.renegadeforums.com/index.php?t=msg&th=35192&start=0&rid=2> 2728

I think last minute can only be related to you looking to late here. My aim was sure not to inform you last minute. Too bad it went that way.

Still I have no answer on my question, which I posted friday on this topic and pm'ed you sunday in addition.

Can we agree play on sunday 29th @ 8.00 PM GMT?

YAY OR NAY

I know in the UK (=GMT) is already in the wintertime.

I really dont know if EST will change in december related to november. If so, you should know that better than me.

As we arranged on the 29th of november, thats still in november, so shouldnt be a problem even when it would change in december.

Correct me if iam wrong.

Just to be sure, I posted this one on 8:51 PM GMT.

That should be 3:51 EST. plz check.

tyvm for agree to play on sunday 29th @ 8.00 PM GMT.
I will continue getting players on this date and time.

As we both live in a different timezone, I'll ask -SoQ-radio to contact you to deal with questions what come up in the coming days. He lives in (almost) the same timezone as you.
