This is the final decision on this match for round 4, so read carefully.

Roster post deadline: Friday, November 20th
Match day: Saturday, November 21st
Match time: 9pm GMT (UK Time)

Roster notes:
- If one team fails to post their roster IN THIS TOPIC before the deadline, they get disqualified and the other team will advance to round 5 vs Jelly.
- If both teams fail to post their roster IN THIS TOPIC before the deadline, they BOTH get disqualified and Jelly gets a BYE in round 5.

Match notes:
- If one team fails to show up with at least 5 people that are on the roster while the other team has at least 5, they get disqualified and the other team will advance to round 5 vs Jelly.
- If both teams fail to show up with at least 5 people that are on the roster, they BOTH get disqualified and Jelly gets a BYE in round 5.
- If both teams show up with at least 5 people that are on the roster and the match does not happen, they BOTH get disqualified and Jelly gets a BYE in round 5.

And of course there's a scenario where BOTH teams show up with at least 5 people that are on the roster and play their match. I assume this will be the scenario that will take place, RIGHT GUYS?

>>>Also, KEEP IN MIND that the WINNER of this match plays their match vs Jelly THE DAY AFTER (round 5 deadline!). Same rules apply. BOTH OS and NE must post their round 5 roster before the round 5 deadline as well, JUST IN CASE.

Good luck to both teams

OS did not post in time and therefore NE advances,

unless

NE decides to give OS a chance to play, since they did post their roster after the deadline.

The deadline for this match is still today, so NE has to post before 8pm GMT (UK) in case they still want to play this match with OS. Otherwise, OS will be out of the tournament.

Hmm just got home.

We can play but not at the proposed time due to short notice, I was under the impression that they weren't playing because they didn't post the roster. Now I see they posted it earlier today. I do want to get this game going as NE vs OS would be a great match, but I don't see it happening in 15 minutes.

What time is good for you guys today?
