GoodOneDriver is a tremendous faggot, and the eye-rape he caused with his skins is enough reason to keep him banned.

Not that my opinion (Or yours, OP) matters any.

Dunno about kill, but I know Good-One-Driver got banned for posting an advantage skin. Which he's done numerous times in the past. Also, he's an asshat.

Kill was banned for posting building bars download, and putting it in his signature. I don't think it's a perm though, i can't remember rly .

Edit: 6 months ban, that's what i thought it was.

I'm guessing g1d was banned for posting a DL for this:

Not positive though, and no idea for how long.

100 % right. And Good-One\_driver was only banned for 3 days, which should expire tomorrow.

That's a shame. I'm sure it'll be just one of many, though.

I thought speaking for a banned person equaled a ban for that person because it was bypassing?

If your never got banned or arent banned that doesnt mean that your guys. All of us here have to behave well to make this place a good place for all of us and newbies. Alot of people dont come back here because of most people spamming/doing bad stuff ect. One person can change it, believe me. Just be good!
