If anyone fixes that for the chem I will put it in the rest of my beta pack.

And its good to see that someone is using my chemsprayer

i use the skin lol it looks sexy on the back of my snipers when i pick it up, i think that is why i die so much lol..

i barley use the chem only time i use it is in DM servers but i still love the sexiness of it

Put this in your data if you want to see it in your radar thing.  
I hope its good can't test it right now.

By the way, if you want more hud icons just send me the weapon model and i can make them.
