Minimum required for a match is 5 and whoever has 10 people is not forced to drop, but Im asking both sides to practice good sportmanship!

i dont get why we had to post a roster, we could easily come up with 10 playesr not playing for other communities, it's the roster shit that fucks us. either way, i can say for sure atleast 5 people will be on

Then post an epic list of everyone you could possibly ever have playing for you. I'm sure the touney guys won't mind. I think we'll need another one of these soon.

ask people if they're interested in playing in the match and see if they think they can make it if not then don't sign them up; if yes then sign them up

it's pretty hard but i'm sure it can be done
