On Field and Under, I've come up with a new term for idiots who just sit there and fire at whatever comes into view because they don't wanna scratch the paint on their precious tanks:"playpenning". Now we don't just have Rambos, n00bs, or morons, we have cowardly playpenners.

How 'bout we make things a lil' easier.....How 'bout we call all of them "lame-o's"Trust me its alot easier than sayin' "hey youre a rambo and youre a n00b and you a moron" just say..... "hey youre all just a bunch of lame-o's"

I'd love to stay and defend the base, but I've got too agressive a nature. "THAT DARN SNIPER IS NOT GETTING AWAY, BAAAAA!!!! -plunk-, "yay. Oh lookie that!" -bang- -bam- -blast- -pow- -boom- oh look, GDI base under attack, oops.
