Spoony, it's not the 1500's- you don't have to hate the Catholic church anymore.

ah, the legacy of good old henry the eighth. now we have a state church whose leader says we should adopt sharia, says atheists aren't fully human, and who continually chides us on "materialism" from the comfort of either of his two palaces.

still, that might be considered an improvement on being chided for materialism from someone who owns an entire city state.
