at the start of each map kill the harvester, find someone without down syndrome to hop into your humvee that you can afford with your harvester kill, destroy a building with c4, buy a medium tank and make sure you shoot everyone that tries to kill you in the face, kill their whole base

it's foolproof!

I joined on nod, and found that i somehow couldn't buy a medium tank, i'm so confused...all i want is to be like the people it worked for, and win 1 game...just 1..
