He was refering to the use of "over". I think you meant other, as in the other team. The other team was over at the base.

Sounds like more of a typing/thinking issue than spelling. I often type faster than I think.. or is it think before my typing can react.. or often react to thinking by typing before fasting..or.. While we are on the subject of corrections, I think he should have clicked on The "Back" button instead of "Add New Topic."
