I've herd of people playing it but i have not been able to find it.

Does anyone know where i can get it?

Also where can i find the heli pads with textures?

I'm trying to make a map but i can't find the heli pads and that is how i'm going to drop all my tanks for nod and gdi to save space on my map.

There are the helipads

Sites like planetcnc.com or Game-maps.net contain all the stuff you will need.
