Okay, so it's been around a year and a half since I last visited here, and from there I only posted once or twice I think. I can understand that Gold are regular members, Green are Moderators (Red are Admins), but what are yellow? Maybe users can educate me on this? ^^

Incorrect as Zion has 2K + and is in Gold, not yellow. They're colours handed out to members of the community who played for Renforums in the two community wars Renforums has played so far.

Thank you CarrierIII!

Maybe a little box for them too? IE: [Community Veterans]? Or [War Heroes]?

Not sure that can be done, the colour is a present from Goz. You missed the first one, because we were all pink.

Surely it's just text above that line though? I was more referring to Crimson/Blazer regarding the addition, they being site administrators and having the source to the site of course. ^^

When we organized our first community war, we expected to be beaten to hell by Jelly. Don't forget we had / have a team of random players who never really played together.

At the start of that game, I said that if we won 2 out of the 5 maps, I'd reward all players with a "forum gift". I didn't really expect to have to do it . Those players were rewarded a pink nickname.

After we won our 2nd community war vs Exodus, the pink names were removed and the players of the second comm war received the yellow name. After the 3rd game (u can still sign up for this game vs Atomix), these will be removed as well and hopefully we'll be able to reward a new colour .

You'll have to pester Crimson to change it then.
