Free Alien Xenomorph w3d modle and gmax modle

No wear on the web have i found a "free" xenomorph modle, so i made one for free

below are a zip file with gmax and w3d modle and skins

+ a picture of what they look like

Pretty cool. Nice job

Though a little bit of a disadvantage

Tail will point through walls etc so people can see you behind cover now and then

hey

if u can get the tail swing that would be a dam good model^^

ditch teh weapons and give is a claw, tail <primary / secondary> attack and that would be F-ING SWEET!!!!!!

also double the speed! sweet job man!

thanks

for some reason melee attack animation doesn't seem to work on multiplayer

[KHLordOfDeath wrote on Mon, 08 March 2010 18:25]hey
