---

if you are a current or past n00bstories player please consider signing up for and playing in n00bstories vs. Jelly this Saturday at 8 pm GMT

i'd like to see a decent sized community match for a change; i miss the days when communities could easily show up with 20-player teams

<http://www.n00bstories.com/forums/index.php?t=msg&th=13119&start=0&r id=0>

it should be fun
