I'm looking for a few players, xcugs, xredo and xblink. If any knows these guys, or sees them in game, would you please be kind enough to let them know xryan is looking for them, and to please come here and post. I'd "greatly" appreciate it.

Would you kindly tell us if they play on a specific server?

Been a few months, but I do believe the server is Mini/AOW. This should be correct, and where they play most of the time. Thanks for the timely reply.

Not sure to be honest. Server should be near the top of the list, "Mini" in the server title. Really can't be more specific, it's been a little while, I just can't remember the exact server name. However, I do know they play in Jelly from time to time. If you or any one else could just put the word out, I'd be more than appreciative. You'll more than likely run into others who know me as well, or so I hope. Thanks for the help.

Just checked out the link, don't know what that was all about. I don't have the game, so I can't get in game to talk to these guys. If someone could contact them in game and let them know to post here, register if need be. Thanks.

Lmao! Negative, I'm alive and free. I just ran into a few "road blocks" here recently. Things happened pretty quickly so sorry I didn't really have the chance to say anything to anyone about my leaving. Unfortunately, it will be some time, a few weeks or so before I can get back in game with you guys. I'm looking foward to it immensely.

Just wanted to let you guys know, if you were still around that I'll be back most definitely. Someones gotta school you nooblets. Lots of fun guys.

Blink and Redo still around? Saph?

Really miss it guys.

In short everyone gets on at least once a week or so..some new players play with us every once in awhile but its just the same guys!!! Can't wait until you come back it will be good to get "schooled" again haha

Hope things are great see you in two weeks or so

Thanks Evan. It'll be good to be back. I'll try to keep in touch until then. When that time comes, you guys had better still be playing. Don't leave me to the noobs now. Good gaming fellas.

Where the hell is Redo and Cugs? Those noobs couldn't find the time to post?

You all better still be playing...I will hunt you all down. You boys make up for 90% of my gaming fun.

Though it may be a little longer before I get back. Maybe even a month or so, but I WILL be back.

I look forward to dominating the game with you guys once again.

Ren till the end.
