Hi,

I'm looking for someone in Finland who could do me a favor...

I'm trying to order a DVD from www.discshop.fi – but unfortunately they don't ship abroad for some reasons.

This DVD is not available in Germany.

It would be possible, that I buy there a DVD (on my creditcard, of course) and let it be shipped to the address of someone in Finland.

I could transfer the costs for post-fee and the person forward the DVD to my address...

Would be great!
