When you came rolling in here, did you see a sign outside the front of the forums that said "Retarded Faggot Storage"?

Chances of being unbanned are pretty slim.

People here are pretty hostile and unforgiving to those who cheat; and especially to those who have made them.

Quite honestly, I don't know why you want to come back to these forums, nobody here likes you(other than my aunt on L337 who you gave an advantage skin[seriously if your going to do a recolor, do it right]), and IMO, you are one of the worst skimmers I have ever seen for this game, I have done better skins that actually take EFFORT and are NOT advantage skins.(ask Cabal8616 aka GEORGE ZIMMER if your curious.)

Without any in-depth elaboration for you, that statement is pretty clearly one nice ego trip. "You're the worst skinner I've ever seen for this game, my skins are great; and heres some pointers" I liked the part where you added in the names of forum members that would actually confirm that your skins are "better". It's like "Ok, just give this guy the trophy; yours are better ok? We need no further evidence...hop up on your first place podium..."

Seadust wrote on Sun, 04 July 2010 11:54the tangent about my aunt was heavily related I was already making a skin that looked way better than his but she wanted to use his ADVANTAGE SKIN

Heavily related, as in the guy who created this topic, and the guy who gave your aunt a skin are the same person? Whatever definition of related works for you I guess.

I'm sure your skin looked way better than his; but if your aunt chooses his skin, then that's something you need to take up with your aunt.

How humble of you. It's always nice to make an effort after being accused to have a lack there of. You don't have to hotlink 99 of your skins and say you're better than the best. All you had to do was to openly state that someone is shit at skinning, their work is shit; and your work is better in the same sentence. That kinda seals the deal my friend. Perhaps you didn't intend to promote yourself; maybe that's just the way you are, or you could of had a bad day.

What constitutes a big mouth on the internet? A high post count? I may talk shit at times and be overly sarcastic; but how many people here don't?

@snpr

You still don't understand the point, saying that I am better at skinning than G1D is saying that my DOG could be better than him, There are many skinners out there I consider to be way better than me in a heartbeat.

Also, it was taken up with my aunt who didn't know what an advantage skin was, but there is the thing, he well knew it was wrong to give her an advantage skin especially since she didn't know any better, I'm sure you'd be pissed if he gave your family member or friend an advantage skin and they had no idea what it was.
