Bullshit

Out of 150 seats in the parliament, compared to the previous elections, the right-wing parties went up 24 seats, and the left-wing parties down 33 seats. And now they are trying to form a left-wing cabinet. This country is doomed.

Don't worry, we'll probably have to have the elections for a second time, this ain't gonna work out. And if it does get started, it'll only last for a few weeks, months maybe.

You will - when we're your opponent in the finals of the world cup

It seems you may suffer from misconceptions. I'm not playing in any world cup

The World Cup isn't over yet? I lost interest a few weeks back... not at all related to England playing like a bunch of geriatric old fogies and getting utterly thrashed.

The final is this Sunday. Gonna be Netherlands vs. Germany/Spain, the other semi-final will be played tonight.
