This is rather odd and its probably just because im a little OCD but shouldn't [CommWarriors] in the color legend for mods be bolded?

I don't think it should because they're not part of the administrative staff.

Also hi AmunRa, been a while since i saw you post on here.

[CommWarriors] is not a moderator group and has no special rights.

It only indicates a group of people who play for the RenForums in community games
