that's great cncforever...glad you were able to get them for your collection. You only need the Orcas now right?

not mine but a random picture I found of it.

why do you delete the thread and pictures?

anyway, I am going to trim my Renegade collection. I think I have too much of everything and so will be putting them up on eBay in the coming few days. Plus I need the money for some other special "purpose."

I will still have an intact and complete collection but it will be minus an orca or two and maybe even a Havoc figure.

What the fuck?

Why do you get A few Nod action figures with a GDI Orca, Shouldn't you get GDI soldiers?
