Only way to get it , is if you extract it from the reborns always.dat and rename it.  
But to have each team a hud of there own is beyond me

It was released at some point, and I'm just wondering if anybody still has it - or a working download link.

I got it thanks to tomo, so if anyone wants it still anymore, just pm me and i can send you the DL link

Edit: The nod one is the one i was referring too, the others and gone i guess.
