Hi,

I have been trying to find the official patches for these games.

Does anyone know if the official download link still exists somewhere for the last patches??

I tried to google it but I just don't know what download to trust.

You can get them from cncnz.com (and yes, you can trust them)

RA2:

<http://www.cncnz.com/downloads/redalert2/patches/>

YR:

<http://www.cncnz.com/downloads/yurisrevenge/patches/>
