The BloodKings are looking for another clan to have a scrimmage or an official battle. Please visit the BloodKings web site at: www.bloodkings.com and post a challenge against us on the General Topics forum. We also are recruiting all the time. Ask for LazySumo or Knight. They are the guys with the power. We are a respectful clan and enjoy a good fight. So what clans out there would like to challenge the BloodKings? We would like to have at least an 8 vs.8 battle.

Jump on top of a transport helicopter and fire their guns. Maybe it's because I have not played Renegade for a few weeks. Maybe it's my "newbiness". [June 14, 2002, 23:38: Message edited by: jordybear]
