Has any Command and conquer music been used in a TV show?

Indeed, Hell March was used in some episode of Top Gear. Can't remember which, I hardly watch the show.

Also, besides music, there has been another C&C appearance in a TV show.

I think it was the series finale of Battlestar Galactica that featured the Kodiak from Tiberian Sun. It

---

was a 2 second background shot, but it was definitely the Kodiak.
