Well, i have moved away from Vlissingen to the main city RotterDAMNED!

I got my own house finally, its not done yet though.

Some details:

Im a student @ the HRO, dunno something like university or higher then college school. i have no idea what it is for americans and/or whatever.

PICTURES?! here a short quick 2 pictures walkthrough

This is a giant jacuzzi hahaha . This is place #2 where the bitches get nailed in! (flamewar inc)

Large livingroom, its not finished yet though. Still painting the walls but there is a short of time, except the weekends. I filled all the holes in the wall with cement, so thats fixed.

Its a appartement with 2 floors, 1 for the living room, kitchen, shit house etc. And a floor for 3 bedrooms and the big jacuzzi you saw there.

Like it? Looks good doesn't it.

So if anyone wants to smoke pot or get f%#\$n wasted! Your welcome, contact me though!

I'm sure you'll have an excellent time there! Make sure you enjoy yourself as much as possible and have as many parties as you can, but also remember to not fuck up your school/college/uni studies.

Moar pictures!

thanks. ok got moar pictures!

just finished my own room, wip below small pics.

shitty paint job on the walls, never painted before tbh.  
also did the top ceiling but white. day 1

shitty paint, but purchased myself some nice carpet, dark red (bordeaux red) day 2

got myself a nice 2 person bed and a nice closet and desk (gotta build the desk monday or tomorrow dont know. bought 3 new york city posters (grey) just because the red was a bit too much overwhelming. also bought a new york painting thingy.

its almost finished, however things i still have to do is buy myself some proper bed clothing. im going for black.

so what do you guys think? shall i also buy a poster with the text moulin rouge?
