I can explain this. Cloud Server, a modded AOW server, has a command like this. It makes you, for 7500, get an obigun, and more. He might have just mistaken the server for that.

Unbalanced modded servers? Sounds fun. It can be funny to go in these servers sometimes, there's almost always a person who'll call me a hacker

He saved up 7500 creds in jelly aow in order to do use a command that doesn't exist... my sympathy.
