lol, that was me.

I actually was recommended generation kill by my brother already, but i didnt get around to watch it yet. just caught up on breaking bad, now trying to find the time to watch carnivale (occultesque show whose plot moves roughly at the speed of pudding, but it seems okay so far), boarwalkempire (plays during the time of prohibition in america, the guy who plays omar is also in it) and restrepo, a documentary which follows american soldiers in afghanistan for 2 years i think.

Hahaha, I just gave the Season2 DVDs to a friend of mine, now I can make him sad by saying the words "D'Angelo" or "Ziggy"...
