did that best player thread go on for so long?

but more importantly (and more depressing), who actually read it?

I attempted to troll it a few times... what with the bad grammar post on page 1 and later my acrostic on page 7 (that apparently nobody noticed.)

But I soon got bored and left it to die on it's own.

It will go down as one of the great untold mysteries for ours and many generations to come.

Who is the best Renegade player? Who read the entire thread? What is the meaning of life? The mind boggles.

I wish you luck on your epic quest for knowledge; and hopefully one of us may discover the answer some day so that we may all be able to sleep at night.

They didn't deny me being the best player, therefore - I am the best player.

Much credit in continuing the pom-pom routine whilst in retreat.
