"Best" is, at best, a subjective term, depending highly on circumstances. Therefore, there is no answer, because the question is too poorly posed.

Oddly, this is the problem I have with the Physiology department at Uni.

Thread over and moved to spam fest.

these forums did get a hell of a lot less interesting once that thread was locked. I guess thats why

After all of his epic 1v1's wins and people dodging him, idk how you could skip over troop.. He's now retired, but he's definitely deserving of the Renegade All-Time Hall of Fame!

troop gets special mention for his likeness to Neo when it comes to playing 1v1's against good players

Player: 0x90

Reason: Uses cheats to get the best score, can ban evade, is ALWAYS mvp.

Note: This does not take into account fairness, how much everyone hates him, or rules.
