Beuase Terrorists want to scare everyone in the world by making them think america secretly
captured all countries. While they are in a panic the terrorists will bring a death star to earth.

Think of Canada as Minnesota, but populated with ex-British subjects instead.

Do you really want us making a comparison of canada with minnesota? Seems like a terrible
thing to suggest. North Dakota is a much better choice, heck they already fly the Canadacdn flag

there.
