What do you think of this band?

They are from Denmark not America

Door 2.12

Nuclear Blast rarely ever releases anything decent. The exceptions to this being Testament and the upcoming Graveyard release.

It's sad that this is what heavy metal has become. What happened to stuff like Judas Priest, Van Halen and Quiet Riot? Do you people honestly consider this respectable music?

edit: can't forget ronnie james dio

Don't forget about Trouble, Pentagram, Sir Lord Baltimore, and Candlemass among others.
