Sometime last year, someone here (I think) posted a video of a tour of Westwood's lost stuff. It was a YouTube video and two guys were going over Westood goodies like posters and props, new games, costumes and what not.

I broke my head searching for the link. Can someone help me find it? Many thanks!

What was the last place you remember seeing it?

nevermind all, I found it. I was wrongly thinking of "Westwood attic" when it was "Westwood vault"

Bekerr posted it first in his thread:

Here's the video:

Damn where is this place...I want to go over there and bankroll all the items.

@Sla.ro: thanks for the video! I enjoyed it too.
