I was playing a sniper game yesterday on the city_map. There was a nOOB sniper who got me once in the head with a ramjet, and was wanting weed. He was asking everyone for weed. I was fed up with it so I got a sbh and snuck right behind his A** and planted a c4 on His A**. Then he saw me, he didn't shoot me at first. I told him hit f. then he said f*** you then he killed me. I heard a boom, and did a happy face on all chat, and said there's your weed. He was very ****ed at me, then the host kicked him off for being annoying/.

LOL! Good. I hate when people turn sniper games into chat rooms. Then they scream "TYPE KILL! YOU F'ER!" well, don't type in the open stupid. You're here to shoot, not chat about your pathetic habits.

Hes a n00b because he killed you, and then killed you again? And somehow your not a n00b for using c4 in a sniper game? If he can type and still kill you twice there's nothing wrong with him.

I hate people who turn games into chatboxes period. They're not even all n00bs, some are just arrogant players who start whining when it doesn't go their way.n00bs, nOObs, noobs, NOD, Nod, nod, ask me if i care how you spell things! .
