That actually looks delicious...

It's not bubblegum, either... in case that's what you were implying, and that'd mean you didn't actually read the article you'd posted...

Health is a lie! Thought up by the communists to scare us into eating manufactured foods laced with nano-surveillance devices used to spy on the population of the free world!

That's why I eat nothing but McDonalds, KFC and 24 case beer. God bless America.
