I wonder if they are rick rolling you or if his music is just so cheap that everyone uses it so they don't have to buy actual music.

Idk, normally they have some radio station just for bowling alleys playing, probably like a satellite station. They play all sorts of popular music like country, hip hop / rap, rock, and old hits.

I'll agree with that idea, as I can't stand Lady GaGa... bitch makes my ears bleed...

But those are opinions, not to be confused with facts.
