does anyone still use one of my reticles? i'd normally ask on cw.cc, that that place seems dead as hell.

i'd prefer the 1 in the last 2 pics, but anything is better than the default crap.

I've never used/seen #3 before. If anyone has it, mind uploading it? Wouldn't mind giving it a try.

Point, set and match.

OT - Yes if someone could upload that, I'd like to give it a go.
