I just noticed something interesting. If you break up the word "Honest" it says "Ho nest"

True story.

when faced with the truth, open and public for all to see, she removed it and accused the person
of faking it in an attempt to make her look bad
it's the sign of a real winner

in recent news, it's = it is

and (are you at all surprised that this isn't the first time i've used this)

i absolutely did not draw that, i just changed it from "Son" to "Crimson" for its specific use
i'll be able to use it many more times in the future, i'm quite certain
