I would have posted this on Jelly, but don't have an account there. But, I was browsing through the servers on Renlist, and this is what I found:

I agree this has to be a fake, I urge those with said powers to view logs and find out who's

nickfaking him.

There was someone with the named "Spoonplex" that would play Renegade X pretty regularly earlier this year as well.

As I said its probably someone new that's trying to be original. Have to be fair and say that name is pretty unusual so I can't ser why someone would purposely fake it. Pretty low if they did.

It's, sad to say , impossible to be the original Spoonplex. I just found it ridiculous and fucked up that someone would use that name...

Cancer after a long battle. You can read more on

http://news.bbc.co.uk/2/hi/uk_news/wales/south_west/7574164.stm and

http://news.bbc.co.uk/2/hi/uk_news/wales/south_west/7844579.stm

Also, I think the conclusion that this is a lucky strike because it's an uncommon name is wrong. Someone is doing this on purpose, which is sad and disrespectful.

lmao the guy's dead and you think this comment is necessary? are you a moron? why would people on jelly care for him if he was a "dickhead?" I wouldn't form an opinion on someone based off of a few renegade matches.

maybe when you're dead I'll insult you based off of this one post you made. it wouldn't require much more judgement.

two things (though they are in fact the same thing)

- rocko, don't wait until he's dead to insult him
 - if someone does die, don't pretend you liked or respected them if you didn't when they were alive (that said, perhaps just saying nothing is the best course)
-

A name is a name... no? I mean, as long as this guy isn't patrolling around claiming to have risen from the grave or something then I don't see why it's a big deal.

It could even very well be a simple coincidence as well that this person somehow came up with this name on his own.

I just think it is stupid to take action against this guy unless you have actually seen him acting in a tasteless fashion.

I formed my opinion based on what I seen of him. Yes his attitude may have been from what he was going through. But I will never change my opinion of someone just because they arent here anymore or just because they have friends remaining who will get butthurt because not everyone thought he was the coolest guy ever.

Also azazel you are just retarded. For you to cast shame on anyone is frankly just a joke.

On Jelly, we don't want to see the name around. People appearantly easily get offended on the internet, and the amount of trolls on Renegade are reasons why.

As for Grant, you're entitled to your opinion, and I'm not at all going to expect at all for you to change that. My opinion, however, differs. I've probably known him better than you, it's a shame you appearantly saw a bad side of him, or got a wrong interpretation.

You'd be reaching pretty far to say the person in question came up with the name by themselves.

This.

I've had similar arguments with WhiteDragon. In fact, When I first came up with WhiteDragon, I googled it and found out it already existed, and because of changed it somewhat. (He still complained, but that's another story.)

Since the original Spoonplex has been dead for a while (if I'm correct) it is likely that the nickname doesn't come up that much on Google.
