Isn't that guy related to Majid?

it used to piss me off when he used to spoof me and use nicks such as Azzy etc. I see he's still a retard.

Good show.

Corrupt community? Of course when everyone has to make fun of others. Well, most of you ain't mature yourself, so don't be acting like you are.

Thanks for not doing that.

Where the fuck did this come from, and what does it have to do with this thread?

Did I miss something?

That's why I posted what I did. This guy has no clue wtf he's talking about. Corrupt? Because I pasted logs of a funny instance that HE himself instigated? Making fun? He practically did it himself.. Immature? I'm not the one misspelling Champagne and then telling people on the internet they fuck men at night.

Hypnos likes his grammar/spelling/punctuation as much as you do so that's why there isn't a but.

Hypnos likes his grammar/spelling/punctuation as much as you do so that's why there isn't a but. Normally I don't bother correcting these things. If, however, someone is going to make a thread laughing at someone for being unable to spell a nine-letter French word (albeit one which has largely entered the English language), perhaps we might highlight the fact the thread's protagonist - an American - can't seem to spell a three-letter English word.

Yeah whatever, that's all pointless. What really matters is that this Aziee kid is the brother of Majid123 (who seems to be a decent fellow) and who lives roughly 15 miles away from me. This means his retardation is tainting the ground I've walked upon, and he breathes the same air that I do. A feeling of disgust falls upon me.

that majid123 guy is about as retarded as him, he says "LOL" on teamspeak instead of laughing and accuses everyone of cheating or types dumb shit like "luck" continuously whenever he gets killed. i killed him with a nuke in the tunnel on islands once when he was hugging like he usually does

majid is a good guy but Iran is right; he doesn't actually laugh, he audibly says "lul"
"Dude - Lul"
"luuuuuuul"
"lul dude, that's funny"

<3 no homo

I find it particularly funny to read with the "no homo" addition, since lul is slang for dick in Dutch.

While in some cases I can understand that statement, this isn't one of them. It's just a bit of humor. Not something incredibly stupid.

You should give him points for correctly spelling a two letter English word and take away points for using the wrong word.
